

CLOSETMAID®

EXPRESSSHELF™

THE SHELVING SYSTEM DESIGNED FOR BUILDERS

When speed is as critical as quality, builders turn to ExpressShelf™, an innovative, prefinished shelving system that installs faster than traditional built-in-place painted-MDF plank-and-pole systems.

With patented hardware designed for efficiency and superior versatility, this system installs quickly. Basic tools and drill templates eliminate the need for ladders, caulking, and painting.

Consistent fit. Quality design. Quick install. ExpressShelf, the system for builders.

A PERFECT FIT FOR REACH-INS OR MASTERS

From a standard reach-in to a fully-designed master closet, ExpressShelf has a range of design styles and hardware to give you consistent fit for any type of build. Add-ons and upgrades can be installed at any time after the initial install. It's a system that's simple when it has to be, and complex when it needs to be.

INSTALLS FAST, LOOKS GREAT

Time is money, but looks count too. After listening to what builders need to complete a job, ClosetMaid created ExpressShelf to alleviate each of the pain points experienced when it comes to closets. ExpressShelf can be pre-fabricated off-site and installed at 1 minute per foot on average. That's 10 minutes for an 8 ft.-10 ft. reach-in closet with a single shelf and rod configuration.

Key benefits

- No caulking or painting
- Can be pre-fabricated off-site
- Continuous-slide corner solutions
- Ideal for U-shaped or L-shaped closet designs
- Carries ClosetMaid's free lifetime replacement warranty
- Installs after paint
- Extended length shelving and closet rod applications

One system,
**Complete
Organization**

Every build is different, and every room is too. ExpressShelf is a full-range system with all the styles, options, add-ons and upgrades you need to fit quality organization—whatever the size room or style. Use it for walk-ins, reach-ins, pantries, linen closets and more.
