Select your size, finishes and accessory hooks. The smaller sizes of Symphony are perfect for vanities, jewelry, handbags, hats, ties, belts, and even coats, typically with about 4 to 12 hooks. The larger sizes are popular as a shoe rack, valet rack, or entryway coat rack for the whole family. The largest rack typically accommodates up to 25 hooks. Mix and match the adjustable multi-purpose hooks to suit your storage needs, and easily move the hooks when needs change.
